February 2017

Spring Rally Time Coming Soon!

Everybody mark your calendars! The District Rallies start in March and go till October! We have a lot of out-of-state members come to support our Georgia Rally, so please think about attending the other District Rallies if you can. It is fun and a time to take a vacation in sunny Florida, beautiful Beaufort, South Carolina, and historic Mobile, Alabama, or on the Gulf Coast in Gulfport, Mississippi. Remember our Georgia Rally has moved back to June the 22-24th, one week after Father's Day. We need your support! Come join us in Dalton, Georgia for fun, games, prizes, and best of all friends!

CHILLY WILLY NOT CHILLY BUT RAINY!

We had a rainy day for Chilly Willy on Saturday, so we had everything inside. Everyone seemed to have a good time at Buckner's as usual. Chapter A won Chilly Willy the penguin and the \$25 Dairy Queen gift card for having 23 members present. We gave away a hefty 50/25/25. Everyone enjoyed the scrumptious meal at Buckner's and afterwards the officers attended the Georgia Officers Conference. The conference went well and we learned new things about training and the Individual of the Year Program.

If you didn't attend this year, please join us next year for lots of fun! Thanks for a good conference.

Riding with New or Inexperienced Riders, February 13, 2017

Chapter Q's Dessert Auction & BBQ, May 13, 2017

February has always been the magical month when "weather" things actually begin to happen in Georgia and when motorcyclists start looking forward to being able to get out and ride. The winter has already provided so many unexpected riding opportunities, but it's still the sunshine, warmth, and long days that so many of us are anxious to experience again.

February is here and it won't be long before riding season starts. There are many events to attend and with warm weather the riding should be fantastic. Get those bikes out of the garage and do your T-CLOCK inspection and make sure your machine is road ready.

Thank you for your dedication to your Chapters and GWRRA. Thank you to all the Chapters who send out a monthly newsletter. Chapter newsletters are important. They are how we get our events and information out to our membership. There are a lot of events scheduled for this year so why don't you try to make as many as you can. I am sure that these other chapters would like to see you come by for a visit.

2000 Goldwing with a Champion trike kit and trailer. Must sell due to health reasons. Only 75K miles, with Easy Steer. Good rubber, new battery, recent oil change. Garmin 550, two helmets with headsets, new GWRRA Large jacket and some extra riding gear. Bike has not been sitting around, the owner's son has kept it going. Asking \$12,000 OBO. Great opportunity! Contact Sid Cohen 706-340-5737 or cateringbychen@gmail.com

We were reminded again of how it's the people who make each event the fun it is. All the planning in the world is useless unless the people with fun attitudes show up to make things happen.

Recruitment is a vital part of GWRRA, it keeps our association growing. Dedication and participation keeps our association alive.

See ya, Barry and Barbara

First off let me say thank you to all that have put so much effort into the Rider Ed program this past Year. Without your support the program would not be what it is today. To keep the program on the path that we are on, we have to find new ways to fund the program. As you know for the past few years we have not charged for the First Aid CPR Classes or the Ride Courses but the money is running out.

Starting January 1 2017 we will have to start charging for these Classes. The First Aid CPR Class will be Please remember that the instructors do not get paid for these classes they do it out of the goodness of

\$25.00 each. The Ride Courses (ARC, TRC) Classes will be \$20.00 per Bike.

Fees charged go to pay for the supplies that we use. The cost of the books, and supplies increased, plus the cost for the up keep of the equipment. Some of the equipment is getting old and will have to be replaced in the coming months. This is why we have to make this change.

We Hope that you will understand and keep up your support of the great program that we have in Georgia.

We're having a riding Poker Run at the Rally in June! Watch out next month for more details and instructions. Come to the rally prepared for a fun ride on really neat mountain roads!

LET THE FUN TIMES ROLL

Let's start 2017 by making an effort to support our fellow chapters during their activities and fun days.

These chapters put in a lot of hard work putting on these events to provide FUN activities for GWRRA chapters and others to attend. We should attend these events not only to support the chapter function but for the enjoyment of mingling with friends from other chapters.

In addition to chapter fun days, attending other chapter gathering just for a visit and attending plaque attacks is another way of supporting other chapters.

Attending these will add to the points total in your bid for chapter of the year.

Make an effort in 2017 to do this to add to the FUN.

Norman and Wendy
