

2019 Georgia Traveler's Plaque Rules

The purpose of the Georgia District Traveler's Plaque is to promote visitation among Chapters, to provide an incentive to get as many Chapter members as possible to participate, to instill a fun competition between Chapters, and to provide a method of having fun for all Georgia GWRRA Members. The 2019 Georgia Traveler's Plaque will begin its journey with the Chapter that surrenders the 2018 Georgia Traveler's Plaque at Chilly Willy 2019. The initial offering must be made within the month of February 2019. The plaque will be available for capture by attending the "captive" Chapter's announced time and place. The plaque may not be "stolen" prior to the announced offering. To allow as many members to participate as possible, the plaque must be offered on a Saturday or Sunday between the hours of 11:00 AM and 3:00 PM. Qualified participants include all current GWRRA members, with the exception of Georgia District Directors, Larry and Pamela Clemmer. All other District Team members qualify as long as they leave as part of the group that they sign in with. No minimum number of members is required to attempt a capture. All participants signing in under a Chapter's designation must depart from the same designated point of departure or use the location of the Chapter's regular monthly Gathering place, whichever is closer to the capture site. If a chapter is joining another chapter, use the distance from the point at which the both chapters departs as a group to the capture site. (Please be honest!)

The miles must be computed from the Chapter's point of departure as a group or use the location of the Chapter's regular monthly Gathering place, whichever is closer to the capture site by using the shortest of the 3 routes in miles as determined by Google Maps. A copy of the Google Maps calculations must be presented at the time of capture (an electronic copy is acceptable). The number of qualified participants traveling by motorcycle, trike, or sidecar (including Riders and Co-Riders) will be multiplied by 1.5 times the corresponding mileage from the Google Maps calculations. This result will be referred to as the "MC Score". The number of qualified participants traveling by car, truck, or other means will be multiplied by the corresponding mileage from the Google Maps calculations. This result will be referred to as the "Car Score". The "MC Score" and the "Car Score" will be added together to produce a "Total Score". The Chapter with the highest "Total Score" will capture the plaque. The Chapter offering the plaque for capture is to calculate the scores and document all necessary information on the Plaque Log Sheet. This Log must always accompany the plaque. The Chapter that captures the plaque must announce within 48 hours where and when the plaque will be offered, which shall not be more than 30 days from the date of capture (unless approved by the District Director). It is the responsibility of the capturing Chapter to notify District Directors Larry and Pamela at georgiadd@gwrra-ga.com or 678-525-5433 as soon as possible. The plaque must change Chapters at least once

before the surrendering Chapter may capture the plaque again. i.e., B captures the plaque from A; the plaque must be captured by C before A is eligible to capture the plaque again. The 2019 Georgia Traveler's Plaque will be retired at Chilly Willy 2020. The Chapter in Possession of the plaque prior to Chilly Willy will bring the plaque to that event and exchange it for the new 2020 Georgia Traveler's Plaque. The Chapter that has captured the 2019 Georgia Traveler's Plaque the most times during the year will receive the retiring plaque and the District will pay the 2019 chartering fee for that Chapter. In the event of a tie, the Chapter with the highest sum of total points will win the award. If you have any questions regarding the Traveler's Plaque rules, please contact Larry or Pamela, or any of your District Team.
