It is well worth the time to take a tour and see some of military history on display. And a camera lets you take memories home with you.

The Dessert Auction starts at 1:00 pm.

Dig deep and bid on some of the best tasting home-made desserts you ever took a bite of. Its sure to satisfy anyone's sweet tooth. Cakes, Pies, cookies and Brownies. You are sure to find one you just have to take home, if you can get away from the crowd.
